

TAPES OF BOARD MEETINGS

On the next school day after a regularly scheduled Board of Education meeting, where the proceedings of the meeting have been tape recorded on an approved recording system, members of the Board of Education may receive a duplicate copy of the proceedings if requested, at no charge. Members of the Board shall return the duplicate tapes after use.

Tapes of Board of Education meetings will be kept on file for seven years.

Adoption date: February 4, 2009
