

**TRIENNIAL EVALUATION**

**WHEREAS** the progress of children with disabilities to learn must be constantly monitored and reviewed; and

**WHEREAS** these progresses can best be determined by a triennial evaluation;

**THEREFORE BE IT RESOLVED** that the Lindenhurst UFSD shall ensure that the triennial evaluation be conducted by a multidisciplinary team or group of persons, including at least, the school psychologist, the child's teacher, and any other specialist with knowledge in the areas of the disability.
