

HIGH SCHOOL EXTRA-CURRICULAR ELIGIBILITY STANDARDS

Extra-curricular participation should extend to student's educational experience by continuing his or her development toward being a productive and useful citizen. However, students participating in extra-curricular activities must always remember that education is the main goal of the Lindenhurst School District. Accordingly, the Lindenhurst School District extends the privilege of extra-curricular activities to students who strive for successful academic achievement. Therefore, a student who has an average below 65 in two or more courses in any one quarter will be ineligible for the subsequent quarter to participate in extra-curricular activities until the student is fully reinstated.
