

JOINT INSPECTION OF DISTRICT SCHOOLS

The Lindenhurst School Board President, Superintendent and the Plant Facilities Administrator jointly inspect all district schools and certify in writing that they appear safe, clean and ready for use. This inspection shall be done during summer recess and must be completed prior to school opening.

While the Board President shall be the only board member required to conduct this inspection, all board member are encouraged to join him/her. In the event that the Board President is unable to conduct the inspection, he/she shall appoint a member of the Board to do so in his/her absence.

Adoption date: February 4, 2009
