

## CONDITIONAL APPOINTMENT - STUDENT SAFETY

The Board of Education recognizes that there may be instances in which it is necessary, upon recommendation of the Superintendent of Schools, for the Board to conditionally appoint or to make an emergency conditional appointment of a prospective employee. To provide for the safety of students who have contact with an employee holding a conditional appointment or an emergency conditional appointment, the Board adopts the following policy.

No district employee who holds a conditional or emergency conditional appointment shall be in contact with students other than to provide instruction and/or other required services.

No district employee who holds a conditional or emergency conditional appointment shall teach a class or provide services to students with his/her classroom or office door closed unless the Building Principal has provided express prior permission to do otherwise.

The Building Principal or his/her designee shall, at least twice a week, monitor the activities of such employees while on school district property during the period of their conditional or emergency conditional appointment.

In addition, the district will ensure that all personnel, including conditional and emergency conditional appointed employees, are aware of and receive training regarding the prohibition against child abuse in an educational setting and of their responsibility for reporting any such abuse. All conditionally appointed and emergency conditionally appointed employees receive this training at the time of their initial contingency appointment.

For purposes of this policy, the terms “conditionally appointed” and “emergency conditional appointment” shall refer to any employee holding conditional or emergency conditional appointment, as defined in Section 1709 of the Education Law.
