

RELEASE OF VOLUNTEER FIREMEN

The school employee who is a member of the Lindenhurst Fire Department may be allowed to leave the school to aid in fighting a fire under the following conditions:

1. A school building is not left unattended or an employee is not being left alone in a building.
2. That the fire call requires the response appropriate of fire equipment.
3. All employees must notify their supervisor. Maintenance & Grounds employees will notify the Plant Facilities Administrator's Office when they leave and upon their return. All other employees in school buildings will notify their building principal's office when they leave and upon their return.

Adoption date: February 4, 2009
