

STUDENT HARASSMENT AND BULLYING PREVENTION AND INTERVENTION REGULATION

The Board condemns and strictly prohibits all forms of discrimination, such as harassment, hazing, intimidation and bullying on school grounds, school buses and at all school-sponsored activities, programs and events.

Definitions

Bullying

In order to facilitate implementation, provide meaningful guidance and prevent behaviors from rising to a violation of law, this policy will use the term bullying (which is usually subsumed under the term “harassment”), which is understood to be a hostile activity which harms or induces fear through the threat of further aggression and/or creates terror. Bullying may be premeditated or a sudden activity. It may be subtle or easy to identify, done by one person or a group. Bullying often includes the following characteristics:

1. **Power imbalance** - occurs when a bully uses his/her physical or social power over a target.
2. **Intent to harm** - the bully seeks to inflict physical or emotional harm and/or takes pleasure in this activity.
3. **Threat of further aggression** - the bully and the target believe the bullying will continue.
4. **Terror** - when any bullying increases, it becomes a “systematic violence or harassment used to intimidate and maintain dominance.”

*(Barbara Coloroso, *The Bully, The Bullied & The Bystander*, 2003)*

There are at least three kinds of bullying: verbal, physical and social/relational.

- Verbal bullying includes name calling, insulting remarks, verbal teasing, frightening phone calls, violent threats, extortion, taunting, gossip, spreading rumors, racist slurs, threatening electronic communications (“cyberbullying”), anonymous notes, etc.
- Physical bullying includes poking, slapping, hitting, tripping or causing a fall, choking, kicking, punching, biting, pinching, scratching, spitting, twisting arms or legs, damaging clothes and personal property, or threatening gestures.
- Social or relational bullying includes excluding someone from a group, isolating, shunning, spreading rumors or gossiping, arranging public humiliation, undermining relationships, teasing about clothing, looks, giving dirty looks, aggressive stares, etc.

The New York State Education Department provides further guidance on bullying and cyberbullying prevention on the following website:

Discrimination

Discrimination is the act of denying rights, benefits, justice, equitable treatment or access to facilities available to all others, to an individual or group of people because of the group, class or category to which that person belongs (as listed under *Harassment* as defined below

Harassment

Harassment has been defined in various ways in federal and state law (including the penal law) and regulation. The Board recognizes that these definitions are important standards, but the Board's goal is to prevent behaviors from escalating to violations of law and, instead, to promote a positive school environment and limit liability. The Dignity for All Students Act (§§10-18 of Education Law) defines harassment as the creation of a hostile environment by conduct or by verbal threats, intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being; or conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety. The harassing behavior may be based on any characteristic, including but not limited to a person's actual or perceived:

- race,
- color,
- weight,
- national origin,
- ethnic group,
- religion,
- religious practice,
- disability,
- sex,
- sexual orientation, or
- gender (including gender identity and expression).
 - Gender identity is one's self-conception as being male or female, as distinguished from actual biological sex or sex assigned at birth.
 - Gender expression is the manner in which a person represents or expresses gender to others, often through behavior, clothing, hairstyles, activities, voice or mannerisms.

Hazing

Hazing is an induction, initiation or membership process involving harassment which produces public humiliation, physical or emotional discomfort, bodily injury or public ridicule or creates a situation where public humiliation, physical or emotional discomfort, bodily injury or public ridicule is likely to occur.

Prevention

Prevention is the cornerstone of the district's effort to address bullying and harassment. The components of such an effort involve the following:

- Learning about and identifying the early warning signs and precursor behaviors that may lead to bullying.
- Gathering information about bullying at school directly from students (through surveys and other mechanisms); analyzing and using the data gathered to assist in decision-making about programming and resource allocation.
- Establishing clear school wide and classroom rules about bullying consistent with the district's code of conduct.
- Training adults in the school community to respond sensitively and consistently to bullying.
- Raising awareness among adults, through training, of the school experiences of marginalized student populations (as enumerated in the *Definitions* section above), social stigma in the school environment, gender norms in the school environment, and strategies for disrupting bullying, intimidation, harassment or other forms of violence.
- Providing adequate supervision, particularly in less structured areas such as in the hallways, cafeteria, school bus and playground.
- Raising parental awareness and involvement in the prevention program and in addressing problems.
- Using educational opportunities or curriculum, including, if applicable, the Individual Educational Program (IEP), to address the underlying causes and impact of bullying.

Role of the Dignity Act Coordinator (DAC)

The Board of Education will annually designate a staff member, who has been thoroughly trained in human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity and expression), and sex, as the Dignity Act Coordinator (DAC), accountable for implementation of this policy.

The BPC will be responsible for coordinating and enforcing this policy and regulation in each school building, including but not limited to coordination of:

- the work of the building-level committees;
- professional development for staff members and, the complaint process, and
- management of the Dignity Act's civility curriculum components.

Reporting and Investigation

In order for the Board to effectively enforce this policy and to take prompt corrective measures, it is essential that all targets and persons with knowledge of bullying report such behavior immediately to the principal, the principal's designee or the Dignity Act Coordinator as soon as possible after the incident so that it may be effectively investigated and resolved. The district will also make a bullying complaint form available on its website to facilitate reporting. The district will collect relevant data from written and verbal complaints to allow reporting to the Board on an annual basis.

The district will promptly and equitably investigate all complaints, formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner, although limited disclosure may be necessary to complete a thorough investigation.

In order to assist investigators, individuals should document the bullying as soon as it occurs and with as much detail as possible including: the nature of the incident(s); dates, times, places it has occurred; name of perpetrator(s); witnesses to the incident(s); and the target's response to the incident.

If, after appropriate investigation, the district finds that a student, an employee or a third party has violated this policy, prompt corrective and possibly disciplinary action will be taken in accordance with the code of conduct, applicable collective bargaining agreement, district policy and state law. If the reported behavior constitutes a civil rights violation, the complaint procedure associated with that policy will be followed, as applicable. If either of the parties disagrees with the findings of the initial investigation, an appeal may be made to the Superintendent in accordance with the process described below.

Confidentiality

It is district policy to respect the privacy of all parties and witnesses to bullying. To the extent possible, the district will not release the details of a complaint or the identity of the complainant or the individual(s) against whom the complaint is filed to any third parties who do not need to know such information. However, because an individual's desire for confidentiality must be balanced with the district's legal obligation to provide due process to the accused, to conduct a

prompt and thorough investigation, and/or to take necessary action to resolve the complaint, the district retains the right to disclose the identity of parties and witnesses to complaints in appropriate circumstances to individuals with a need to know. The staff member responsible for investigating complaints will discuss confidentiality standards and concerns with all complainants.

If a complainant requests that his/her name not be revealed to the individual(s) against whom a complaint is filed, the staff member responsible for conducting the investigation shall inform the complainant that:

1. the request may limit the district's ability to respond to his/her complaint;
2. district policy and federal law prohibit retaliation against complainants and witnesses;
3. the district will attempt to prevent any retaliation; and
4. the district will take strong responsive action if retaliation occurs.

If the complainant still requests confidentiality after being given the notice above, the investigator will take all reasonable steps to investigate and respond to the complaint consistent with the request as long as doing so does not preclude the district from responding effectively to the bullying and preventing the bullying of other students.

Investigation and Resolution Procedure

The investigation procedure shall be the same as that outlined in the Sexual Harassment Policy (0110) and Regulation (0110-R).

Retaliation Prohibited

Any act of retaliation against any person who opposes bullying behavior, or who has filed a complaint, is prohibited and illegal, and therefore subject to disciplinary action. Likewise, retaliation against any person who has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing of a bullying complaint is prohibited. For purposes of this policy, retaliation includes but is not limited to: verbal or physical threats, intimidation, ridicule,

bribes, destruction of property, spreading rumors, stalking, harassing phone calls, and any other form of harassment. Any person who retaliates is subject to immediate disciplinary action up to and including suspension or termination.

Remediation/Discipline/Penalties

Any individual who violates this policy by engaging in bullying will be subject to appropriate action, which may include disciplinary action. Remedial responses to bullying include measures designed to correct the problem

behavior, prevent another occurrence of the behavior, and protect the target of the act. Appropriate remedial measures may include, but are not limited to:

- Restitution and restoration;
- Peer support group;
- Corrective instruction or other relevant learning or service experience;
- Changes in class schedule
- Supportive intervention;
- Behavioral assessment or evaluation;
- Behavioral management plan, with benchmarks that are closely monitored;
- Student counseling;
- Parent conferences; or
- Student treatment or therapy.

Environmental remediation may include, but is not limited to:

- School and community surveys or other strategies for determining the conditions contributing to the relevant behavior;
- Modification of schedules;
- Adjustment in hallway traffic and other student routes of travel;
- Targeted use of monitors;
- Parent education seminars/workshops;
- Peer support groups.

Disciplinary measures available to school authorities include, but are not limited to the following:

Students: Discipline may range from a reprimand up to and including suspension from school, to be imposed consistent with the Code of Conduct and applicable law.

Employees: Discipline may range from a warning up to and including termination, to be imposed consistent with all applicable contractual and statutory rights.

Volunteers: Penalties may range from a warning up to and including loss of volunteer assignment.

Vendors: Penalties may range from a warning up to and including loss of district business.

Other individuals: Penalties may range from a warning up to and including denial of future access to school property.

Policy Dissemination

All students and employees shall be informed of this policy in student and employee handbooks, on the district website and student registration materials. A poster summarizing the policy shall also be posted in a prominent location at each school.

All employees shall receive information about this policy and regulation at least once a year.

Principals in each school shall be responsible for informing students and staff on a yearly basis of the terms of this policy, including the procedures for filing a complaint and information about the impact of bullying on the target and bystanders.

Training

Training needs in support of this bullying prevention and intervention program will be reflected in the district's annual professional development plan, new teacher orientation, in curriculum and will be considered in the budget process. The bullying prevention coordinator, administrative employees and other staff, such as counselors or social workers who have specific responsibilities for investigating and/or resolving complaints of bullying shall receive yearly training to support implementation of this policy, regulation and on related legal developments.
